

NatSIP Online Event

What do the SEND Reforms mean for Sensory Impairment?

Tuesday 5 May 2026 13:00 - 16:00

Online via Microsoft Teams

This event is for SI heads or senior leaders of schools and support services, heads and managers of VI, HI/deaf, SI resource base provision and colleagues in organisations working with children and young people with sensory impairment in schools and settings.

With the publication of the **Schools White Paper 2026: Every Child Achieving and Thriving**, and the Government consultation on SEND reform *Putting Children and Young People First*, it is clear that change is once again coming to SEND.

The implications for children and young people with sensory impairment are beginning to emerge and this event will explore how the sector is responding and can influence future educational provision.

The online event is to enable colleagues to hear from DfE and speakers about the proposals in the Schools White Paper and to contribute, through discussion, to NatSIP's response to the consultation. The views of NatSIP members and partners are essential.

Cost:

The cost is £60/delegate, reduced to £30/delegate for NatSIP-member organisations.

To book:

Further details and a booking form are available via the NatSIP Website:
